Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The Assistant Director of National Intelligence for Systems and Resource Analyses (ADNI/SRA) is the principle staff assistant and advisor to the Director of National Intelligence (DNI) on matters pertaining to program analyses, evaluation, and resource allocation through independent analyses and advice relevant to the National Intelligence Program (NIP) and the Military Intelligence Program. As the principle advisor to the DNI on these matters, the ADNI/SRA analyzes, evaluates, and provides alternative plans, programs, and budgets for DNI priority objectives, projected threats, estimated costs, and resource constraints.

Major Duties and Responsibilities (MDRs)

- Oversee and direct the work of the Requirements Analysis Group staff and cross-community working groups to collect, coordinate, and prioritize capability requirements in response to priority Mission Needs for Principal Deputy Director of National Intelligence (PDDNI) validation.
- Oversee the development of requirements-based criteria and documentation to support ODNI acquisition, planning, programming, and budgeting responsibilities; coordinate, facilitate consensus, and oversee validation of national intelligence users' requirements.
- Prepare and deliver critical alternative analyses and recommendations that enable the DNI and Department of Defense (DoD) to make informed, best-value, strategic investment and policy decisions through both collaboration and independent analysis.
- Liaise and coordinate with the DoD Joint Requirements Oversight Council to develop and prioritize capability requirements for systems that support defense as well as national intelligence customers.
- Lead, manage, and direct diverse working groups, address Intelligence Community (IC)-wide and cross-program issues to include budget performance integration efforts.
- Lead, manage, and direct a professional level staff, evaluate performance, collaborate on goal setting, and provide feedback and guidance regarding personal and professional development opportunities.
- May serve as Contracting Officer Technical Representative (COTR) responsible for a full range of contracting activities, to include monitoring acquisitions contract and contractor personnel.

Mandatory and Educational Requirements

- Extensive knowledge of the IC, DoD, and its entities, their missions and interrelationships, to include relevant discipline areas, and national and defense intelligence collection issues and capabilities.
